**RE: Agency Determination Letter No. 2018-001  
Meadowbrook Health Care Center**

Dear Mr. Puri:

The Health Services and Development Agency [Agency] made an Agency Determination at its April 25, 2018 meeting that a certificate of need [CON] would be required for Meadowbrook Health Care Center, LLC to replace its licensed skilled nursing facility on land directly across a public road. The actions described more fully in your letter, dated March 23, 2018, would be considered a change of location and the replacement of existing or certified facilities providing health care services and health care institutions under T.C.A. § 68-11-1607(a)(5).

This Agency Determination is based upon the facts as presented. Should these facts change, this determination would also be subject to change.
